

Adrenal Energy Formula

Block the Effects of Stress

Item #01628 • 60 vegetarian capsules

Unique formulation modulates multiple biochemical pathways of stress, providing *broad-spectrum* defense

When properly supported, the mechanism known as *homeostasis* enables the body to maintain its normal balance during stress, helping us to remain energized and focused. Increasingly overwhelmed by stress, however, our bodies seldom get a chance to restore our natural equilibrium.

The result is that an estimated 75%–90% of visits to primary care physicians are now related to the effects of stress.¹ Even more alarming is a recently published study² linking stress with *shorter telomeres* (the caps on the ends of chromosomes), which is associated with accelerated aging!

Inhibiting the Pathways of Stress

Stress disrupts multiple biochemical pathways, including *cortisol production*, the *hypothalamic-pituitary-adrenal (HPA) axis*, *pro-inflammatory enzyme* production and *neurotransmitter* production. A pre-clinical study has shown that stress also inhibits neural plasticity (the growth of new connections between neurons in the brain!)³

Fortunately, **Life Extension®** has created a state-of-the-art formulation of *adaptogens*, shown to modulate a broad range of factors to help relieve the effects of stress.

Broad-Spectrum Defense

Adrenal Energy Formula combines **four** known stress-modulating extracts — **Holy Basil, Cordyceps, Bacopa, and Ashwagandha** — each scientifically validated to support homeostasis, even on the most stressful days.

Each of these extracts modulates a different *set* of stress related changes in the body's chemistry.⁴⁻¹⁶ Combined, they may *complement* each other to provide complete adaptogenic stress defense!

For those who are seeking protection from the damaging effects of stress, **Adrenal Energy Formula** is a broad-spectrum, potent, and safe formulation for maintaining healthy energy and vitality!

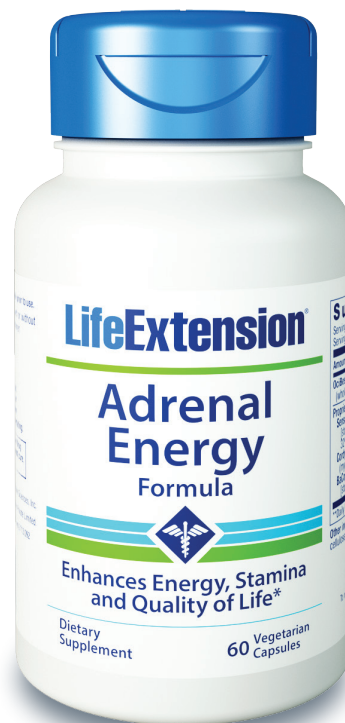

Adrenal Energy Formula modulates stress and supports energy and balance.

New look outside.
Same quality inside.

The transition to this new look will happen over time.

Two vegetarian capsules contain:

- OciBest® Holy Basil extract 10:1 600 mg (whole plant) [std. to 2.5% triterpene acids (15 mg)]
- Proprietary Blend 516 mg
- Sensoril® Ashwagandha extract 5:1 (root and leaves) [std. to 8% withanolide glycoside conjugates and 32% oligosaccharides]
- Cordyceps (*Paecilomyces hepiali*) extract 8:1 (mycelia) [std. to 7% cordycepic acid]
- BaCognize® Ultra Bacopa extract 25:1 (whole herb) [std. to 25% bacopa glycosides]

Other ingredients: vegetable cellulose (capsule), microcrystalline cellulose, maltodextrin, ascorbyl palmitate, silica.

Dosage and use

- Take two capsules twice daily with or without food, or as recommended by a healthcare practitioner.
