

Triple Strength ProstaPollen™

Protect Your Prostate And Maintain
Its Healthy Function

Item #01909 • 30 softgels

Most men find that their prostate gland undergoes significant changes as they age.¹ And certain pollen extracts have been shown to promote healthy function in an aging prostate. That's why we developed our NEW *Triple Strength ProstaPollen™* prostate support supplement!

ProstaPollen™ supports healthy urination patterns and prostate function with concentrated pollen extracts specifically selected to effectively promote prostate health.²⁻⁴ Clinical studies have demonstrated that the flower pollen extracts in *Triple Strength ProstaPollen™* provide healthy support for aging prostate glands.²⁻⁴

Two extracts in *Triple Strength ProstaPollen™* — the water-soluble Graminex® G60™ and the lipid-soluble Graminex® NAX™ — support prostate health by helping to maintain smooth muscle tone in the prostate, bladder, and urethra.⁵

Life Extension® has long included pollen extracts in our Ultra Natural Prostate formula.* But now, this highly concentrated European pollen extract formulation is available to Americans for the first time. Get a triple-dose of pollen support for prostate health in a convenient, once-a-day softgel.

Try *Triple Strength ProstaPollen™* today!

One softgel contains:

Graminex® Flower Pollen Extract™ 378 mg
(from rye) triple strength concentrated blend
providing:

Graminex® G60™ (water-soluble fraction) (360 mg)
Graminex® NAX™ (lipid-soluble fraction) (18 mg)

Other ingredients: extra virgin olive oil, softgel
(gelatin, glycerin, purified water, carob color), soy
lecithin, yellow beeswax.

Graminex® is a registered trademark of Graminex LLC.

*Ultra Natural Prostate contains 252 mg of original Graminex® extract providing 60 mg of G60™ water-soluble fraction and 3 mg of NAX™ lipid-soluble fraction in 2 softgels. Men completely satisfied with the effects of the Ultra Natural Prostate formula may not need this new *Triple Strength ProstaPollen™*.

Dosage and use

- Take one softgel daily with or without food, or as recommended by a healthcare practitioner. Can be used in addition to the Ultra Natural Prostate formula.
